On 09-11-2019 at 1805hrs, Lt. Nemec was in an unmarked vehicle and observed the suspect Ingram driving N/B Riverside in the right lane. The suspect was in a Dodge Dakota Pickup with Mississippi tag DAO253. The suspect was observed in traffic and began to cut in and out of traffic. The suspect was not using a turn signal and tailgating cars in front of him before changing lanes. The suspect was changing lanes extremely quick and not signaling. The suspect got to Beale street and turned Eastbound. The suspect continued Eastbound until he got to the corner of Beale and Main. Lt. Nemec activated his blue lights and siren and the suspect stopped just south of the intersection. Lt. Nemec approached and asked the suspect for his license

The suspect did not provide his license and was uncooperative. Lt. Nemec asked the suspect again for his license and he still refused to give his license. The suspect also refused to give his registration or insurance proof. Lt. Nemec called for cars to make the scene. The suspect was being loud and still refused to give his license. Lt. Nemec opened the suspect door to do a protective sweep as cars were making the scene. The door was held open to watch the suspects actions. Lt. Nemec again stated he needed his license and suspect stated I need to ask for them and not demand them. A female suspect made the scene and approached the driver door as Lt. Nemec stood in the doorway. The female refused to back up at first and began recording. As the female initially backed up and went to the passenger window and refused to back away from the vehicle. The suspect then rolled his window up on the driver side. Officers made the scene and Lt. Nemec advised uniform officers to try to talk to the suspect and obtain his licence. The suspect gave Officer Smothers his drivers license.

Per the PDA the suspect had a suspended license as of 0[REDACTED] for failure to pay fine. The suspect rolled his window back down and Lt. Nemec went back to the vehicle and asked the suspect for his insurance and registration again. The suspect was loud and stated he would call the owner of the truck. The suspect was told that paperwork was needed for the insurance. The suspect again refused to cooperate. Lt. Nemec attempted to get the suspect out of the vehicle for arrest and suspect would not open the door. Lt. Nemec unlocked the truck and Officer Smothers (13336) struck the suspect 1 time in the left side of the face with a closed fist. This action allowed the officers to unlock and open the door. The suspect still refused to get out of the vehicle, forcing officers to forcefully remove him from the vehicle. The suspect was taken to the ground and continued to resist the arrest. He was finally handcuffed and placed in the back of a squad car. While in the car the suspect started to kick the doors and bang his head on the cage. Officer Harvell sprayed the suspect with his OC spray and EMS was called. MFD 13 made the scene and medically cleared the suspect. Lt. Bell 606C made the scene and advised. The suspect was transported to Police Med Holding and then to 201 Poplar by 662D Officer Harvell.
